## **Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment**

Children must be kept safe while on outings.

### **8.3 Supervision of children on outings and visits**

#### **Policy statement**

Children benefit from being taken outside of the premises on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. [Where applicable: Our/My setting does not have direct access to outdoor provision on the premises and will need to take children out daily.] [We/I] ensure that there are procedures to keep children safe on outings; all [staff and] volunteers are aware of and follow the procedures as laid out below.

#### **Procedures**

- [We/I] ask parents to sign a general consent on registration for their children to be taken out on local short outings as a part of the daily activities of the setting. This general consent details the venues used for daily activities.
- [We/I] assess the risks for each local venue used for daily activities, which is reviewed regularly.
- [We/I] always ask parents to sign specific consent forms before major outings; and the risks are assessed before the outing takes place.
- Any written outing risk assessments are made available for parents to see.
- [For group provision: Our adult to child ratio is high, normally one adult to two children, depending on their age, sensibility and the type of venue, as well as how it is to be reached.]
- For group provision: A minimum of two staff accompany children on outings. Unless the whole setting is on an outing, a minimum of two staff also remain behind with the rest of the children.
- [Named children are assigned to individual staff member to ensure that each child is well supervised, that no child goes astray and that there is no unauthorised access to children./I ensure that all children on the outing are well supervised, that no child goes astray and that there is no unauthorised access to children.]
- Parents who accompany [us/me] on outings are responsible for their own child only. Where parents have undergone vetting with [us/me] as volunteers, they may be included in the adults to child ratio and have children allocated to them.
- Outings are recorded in an outings record book kept in the setting, stating:
  - The date and time of the outing.
  - The venue and mode of transport used.

- [The names of the staff members assigned to each of the children.]

- The time of return.

- [We/I] take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothing and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long they will be out for. [We/I] apply sun cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.
- [We/I] take a list of children with [us/me] with contact numbers of parents/carers, as well as an accident book and a copy of [our/my] Missing Child Policy.
- [We/I] provide children with badges to wear that contain the name and setting telephone number – but not the name of the child.
- Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.
- [We/I] ensure that seat belts are worn whilst travelling in vehicles and that booster seats and child safety seats are used as appropriate to the age of the child.
- As a precaution, [we/I] ensure that children do not eat when travelling in vehicles.
- [We/I] ensure that contracted drivers are from reputable companies, do not have unsupervised access to the children and are not included in the ratios.
